COMEDY UPDATES: ENGVALL AT BUFFALO THUNDER RESORT & CASINO BRAD GARRETT SHOW POSTPONED

SANTA FE, N.M –Anybody who needs a good laugh after this grueling election season should head up to Buffalo Thunder Resort & Casino Saturday, Nov. 13, 8 p.m. for funnyman Bill Engvall’s performance. Laughter is the best medicine and, let's face it, it’s needed after the lead-up to November. Engvall of the blue collar comedy fame will provide much-needed comic relief.

“Bill puts on a heck of a show,” says Gene Stachowski, Buffalo Thunder’s Executive Director of Marketing. “It’s obvious that he enjoys being on stage as much as the crowd loves being entertained by him. He has this great talent of being able to share humor in everyday situations that has made him one of the top comedians today.”

Engvall began his career on the sitcom “Designing Women.” He got his first big break when he went on “The Tonight Show” with Johnny Carson, and from there won the American Comedy Awards Comic of the Year.

He has appeared on The Jeff Foxworthy Show alongside best friend and fellow comic Jeff Foxworthy, with whom he starred in the hit film "Blue Collar Comedy Tour" (as well as its sequels and spin-off TV show). In the films and TV shows, Engvall performs his standup alongside Foxworthy, Ron White and Larry the Cable Guy. Engvall is a Texas native who hit the big time playing the very funny “Bubba” role.

“We invite everyone up to Buffalo Thunder Resort & Casino for this awesome national act,” adds Stachowski. “Stand-up comedy lovers can count on a great performance from Engvall.”
