MIRACLE OF THE MIND: IMBUS AT BUFFALO THUNDER

SANTA FE, NM – Brian Imbus, an internationally recognized hypnotist, mentalist and illusionist, will wow New Mexico audiences with his magic at four shows at Buffalo Thunder Resort & Casino's Blue Tower Lounge and one show at the Cities of Gold Casino, Wednesday, Dec. 30 through Saturday, Jan. 2. Imbus' shows are fast-paced and include lots of audience participation and humor. He will present two different mind-blowing performances: Hypnosis and Mentalism/Mindreading.

Imbus is quickly becoming one of the most popular hypnotists in the country. He has performed all over the world and his performances are sure to make his audiences believe that magic and mindreading are possible. The Imbus shows at Buffalo Thunder and Cities of Gold Casino are must-see performances for anyone who wants to become a believer.

"I use the abilities that we all have: I use the five senses to create the illusion of a sixth sense," says Imbus. "Some of it is real, some of it is illusion, and I live it up to the spectator to judge what is real and what is not."

During the Hypnosis show, Imbus will select volunteers from the audience to come on stage and be hypnotized. The volunteers are taken through an amazing journey of imagination while they become the true stars of the show. Imbus' world renowned Hypnosis performances are at Buffalo Thunder Blue Tower Lounge Wednesday, Dec. 30, 8 p.m. and Friday, Jan 1, 7 p.m.; and Saturday, Jan 2, 7 p.m. at the Cities of Gold.

Imbus will perform his "Mentalist-Miracles of the Mind" show Thursday, Dec. 31, 7 p.m. and Friday, Jan. 1, 9 p.m. at Buffalo Thunder's Blue Tower Lounge. Predictions will be made and minds will be read. The show consists of a variety of displays of Imbus' abilities with high audience participation. At the beginning he demonstrates his unusual ability to read people's thoughts by guessing names, places, time,

and names of cards which are chosen by a random individual from the audience. The "Miracles of the Mind" is a combination of predictions, illusion, and magic tricks blended with good humor.
